# WELCOME TO OUR WORLD

*We are really pleased you have a copy of our new CONCORD complete catalogue for the 2016/17 season. In this edition, we would like to pass on all sales-related information on our new VARIO XT-5 product so as to enthuse you about this innovative Group I/II/III seat with its smart size-adjustment facility.*

*In addition, on the following pages you'll be given an interesting insight into the topics "How is the CONCORD collection created?" and "What distinguishes the CONCORD design language?" With this range of topics, we intend once again to share with you some of the interesting aspects of the CONCORD brand – aspects that go beyond mere facts, figures and data.*

*Happy reading!*

NEW

# FROM GROUP I UP TO GROUP II/III

PLENTY OF COMFORT FOR CHILDREN AND PARENTS ALIKE

The new, easy-to-operate VARIO XT-5 Group I/II/III seat offers children and their parents safety that keeps pace with the child's growth, for up to 11 years of useful product life. The VARIO XT-5 combines all the features of an outstanding Group 1 and Group II/III seat in a new and especially user-friendly way. For use in Group 1, the VARIO XT-5 includes a safe and comfortable five-point harness system and an innovative smart seat height adjustment facility. The long, softly upholstered leg rest provides comfort for little ones' legs. The sitting or reclining position (PROCOMFORT SYSTEM) can easily be adjusted with the help of an easy-to-use and readily accessible rotary knob. As our only Group I/II/III car seat, the VARIO XT-5 makes it possible to modify the seat height for use in Group I or Group II/III as appropriate.

The intelligent VARIOSIZE SYSTEM for straight forward size adjustment in Group 2/3 is linked to the seat height adaptation facility for Group I to provide maximum safety and comfort for both parents and their children. Specifically, the adjustment of the headrest and shoulder protectors is automatically blocked until the seat is set at its lowest level, indicating that a move from Group I to Group II/III is required. This innovative and intelligent feature represents a fundamentally new product advance and prevents the risk of incorrect use when switching from Group I to Group II/III. The height of the headrest plus the height and width of the shoulder protectors can be simultaneously and smoothly adjusted at the touch of a button with pneumatic assistance. The excellent air circulation ensures extra comfort, particularly in the lower part of the backrest.

*Integrated five-point belt system for Group I that is easy to operate, modify and store (for Group II/III)*

*Includes all the features of an outstanding Group I and Group II/III seat*

# OUR SIMPLEST AND SAFEST YET

The VARIO XT-5 incorporates superb energy management qualities, innovative cushioning materials and a perfect ergonomic belt geometry system. Thanks to its wrap-around steel frame (LIGHT WEIGHT PROTECTION FRAME) and its multifunctional shell that grows with the child, the VARIO XT-5 achieves outstanding results in all crash test scenarios.

A further contribution to safety is made by the intuitive seatbelt guide system (Group II/III), with automatically locking buckle and the product's easily understandable and readily accessible controls.

The seat is attached to the vehicle by means of the Isofix system and a top-tether fastening. A clear red-green marking on both Isofix connectors, together with a tightness indicator for the top-tether fastening, provides visual support for the correct fitting.

# CAST-IRON SAFETY

## THE CONCORD DESIGN LANGUAGE

As a retailer of high-quality child safety products, you've probably been following the history of the CONCORD brand for many years now. Our aim has always been to develop car seats that offer maximum safety, are customer-friendly and are characterised by distinctive design features. CONCORD's product designs incorporate simplicity, clarity, modernity and functionality. They also stand for consistently designed controls and features, high-quality materials and cover collections that are updated every year in line with the latest trends.

The uniform positioning of our brand logos and product graphics is the final element in the sophisticated appearance of our product family.

CONCORD is an experienced and innovative full-range supplier in the field of child safety products. With us as your partner, you'll have access to a complete range of top-of-the-range children's car seats that are emotionally appealing and clearly recognisable, that conform with all standards and classifications, and that will win over your customers too.

*Design sketch of the new VARIO XT-5 Group I/II/III seat.*

# INSIGHTS OUR 2016/17 COLLECTION

*The development of children's car seats also has an emotional dimension – something that's illustrated particularly clearly by our annually updated collection of covers. On the following pages we provide you with a fascinating insight into the words of colours, trends, textiles and the way they are processed, from the time they are developed by experts until they are assembled on the production line. Prepare to be surprised!*

# THE FABRIC...

# ...OF OUR DREAMS

CONCORD children's products are distinguished by the unique design of their textiles. Whether cosy and softly padded or tough and stain-resistant, an examination of our fabrics will show that our use of textiles is carried through our entire product range. For a fabric even to be considered for use in a cover or lining of a CONCORD product, it must – aside from any colour considerations – fulfil a wide variety of international and in-house requirements.

Our textile designers keep constant track of new developments in the field of functional textiles, observing for example how they are also used in the sports and outdoor sectors. The challenge when specifying the textiles that can be used lies in identifying the appropriate fabrics and structures for the wide range of application areas involved.

Considering a collection overall, the aim is to ensure that the soft, well-padded headrests of a car seat create a coherent image with the watertight cover of a buggy and the comfortable straps of a baby carrier. Needless to say, they also need to comply with all applicable standards in terms of top-quality material characteristics, automated processing and user safety. With a CONCORD product, parents are paying for verified safety and carefully considered design – even with regard to the fabrics used.

# A FEEL FOR COLOUR

# DOWN TO THE SMALLEST DETAIL

For us at CONCORD, words and phrases like Toffee, Sweet Berry and Deep Water conjure up images and colours – qualities that could never be captured by a mere reference number... This is the reason why the CONCORD collection uses these stimulating, more meaningful names for its colour options.

Our annually updated collection colours are aligned with the international trends that are visible in our distribution partner countries. Trade shows, trend-tracking websites and research across the fields of art, fashion, interior design, sport and outdoor leisure all feed into the ongoing work involved in designing our newest CONCORD collection. In this way, we ensure that our products fit perfectly with the modern lifestyles of young families around the world.

To complete the high-quality overall appearance of a particular product, we also take care to select the most appropriate accents in the form of labels, decorative stitching, patterns, eyelets, embroidery and zip fasteners. Our designers, in fact, have a real eye for detail – as they should!

► **Only by perfectly harmonising every single component can we create the perfect final product.**

**AT THE END OF THE  
DEVELOPMENT PROCESS,  
WE ACHIEVE THE PERFECT  
COMBINATION OF SAFETY  
FEATURES, FUNCTIONALITY  
AND EMOTIONAL APPEAL!**

The new VARIO XT-5.  
Groups I, II and III – our simplest and safest yet.

# CONCORD CHILDREN'S PRODUCTS

## A BRAND THAT SETS STANDARDS: SAFETY AND DESIGN SINCE 1978.

Established 38 years ago, the CONCORD brand has become one of Europe's longest established and most prestigious suppliers of children's equipment. Since embarking on its story of success back in 1978, CONCORD has developed into a market leader and a driver of innovation for safety-related products in Germany and Europe.

As a supplier of systems, the CONCORD brand has been supporting young families right from their very first trip with their newborn baby. We attach great importance in the development process to ensuring that our products can be combined with one another as required. With our TRAVEL SYSTEM for buggies and car seats, CONCORD offers an individually customisable range of products for every life situation.

Research is treated as a top priority across the whole company. With regard to the inclusion of innovative materials or design solutions in order to increase the safety of a product, CONCORD can claim to have occupied a pioneering role for several years as a driver of innovation. All of CONCORD's products are developed and designed in Germany. At our in-house crash facility, one of the most modern in the whole of Europe, our children's car seats are comprehensively put through their paces.

Furthermore, CONCORD products are distinguished not just by their ability to hold their value but also their carefully devised functionality and high-quality design. These high standards set by our newly developed products are demonstrated year after year in all of the major consumer tests and design competitions. Why not find out for yourself? In our extensive range of car seats (our DRIVING category), pushchairs (MOVING category) and household accessories (LIVING category), parents will find all the clever and functional everyday aids that fit their family's particular lifestyle.

We hope you enjoy browsing through our complete 2016/17 season catalogue.

# SAFETY IN TOP FORM

*CONCORD child car seats*

---

## VERIFIED QUALITY

*When they buy CONCORD PRODUCTS, parents are paying for verified safety – including in terms of their outstanding material properties. The production, composition and safety of all materials used in CONCORD car seats, pushchairs and lifestyle products are continually tested and confirmed both internally and by independent testing institutes (for example, by Germany's "Stiftung Warentest" consumer organisation).*

FOR MAXIMUM SAFETY, HIGH LEVELS OF COMFORT, AND OPTIMUM EASE OF USE. WHEN IT COMES TO CHILDREN'S CAR SEATS, WE DEMAND THE VERY BEST. TOP QUALITY AND CLOSE TO 40 YEARS OF EXPERIENCE ARE COMBINED IN INNOVATIVE PRODUCT DEVELOPMENTS AND EXTRAORDINARY DESIGN. THE CONCORD DRIVING PRODUCT RANGE: SAFE, MODERN, ROBUST AND HIGH-QUALITY CAR SEATS FOR ALL AGE GROUPS AND PERMISSION LEVELS: SEE FOR YOURSELF HOW GOOD THEY ARE!

## THE CONCORD SYSTEM – THE RIGHT SEAT FOR EVERY AGE

With its complete, universal seat system, CONCORD has the right car seat for children of every age group. Each one of our car seat models is ergonomically designed to suit each respective stage of growth and development. Our seats will accompany your child in safety and comfort – from birth to 12 years old.

**Steel Grey** / CASL0984BS

# CAMINO TRAVEL-SET

**NO LIMITS  
TO YOUR MOBILITY**

**THE CAMINO BUGGY**

The set contains practical accessories as standard: with a rain cover and an awning, you're equipped for all weather.

**BABY CAR SEAT AIR.SAFE**

With the TRAVEL SYSTEM adapter, the AIR.SAFE baby car seat can be attached to the CONCORD CAMINO buggy in a single operation. Its low weight of only 2.9 kg means it can be carried and transferred from car to buggy effortlessly.

**CARRYCOT SLEEPER 2.0**

The stable SLEEPER 2.0 carrycot is easily and quickly attached to the CONCORD CAMINO buggy. It is also certified for use across the back seat of a car (group 0 / 0 – 9 months).

**Deep Water Blue** / CASL0986BS

**Powder Beige** / CASL0990BS

# CAMINO MOBILITY-SET

## FLEXIBLE IN ALL SITUATIONS

### THE CAMINO BUGGY

The set contains practical accessories as standard: with a rain cover and an awning, you're equipped for all weather.

### BABY CAR SEAT AIR.SAFE

CONCORD lifestyle products

---

## UNUSUAL DESIGN AND FUNCTIONAL FEATURES:

*Contemporary, attractive design is especially important in the lifestyle area. High-quality materials and pioneering concepts have always been a trademark of CONCORD. Our high standards of design and function have made CONCORD a leading manufacturer of contemporary, high-quality children's products for many years.*

CONCORD LIFESTYLE PRODUCTS ARE MADE WITH LOVE.  
THEY SOLVE ALL SORTS OF CHALLENGES ENCOUNTERED IN DAILY LIFE  
WITH LITTLE CHILDREN IN INGENUOUS AND CHARMING WAYS.  
AND THEY ALWAYS BLEND STYLISHLY INTO THE WAY YOUNG FAMILIES  
LIVE THEIR LIVES.

## WALLABEE

Weight of child: **3.5 kg to 18 kg** / Outer fabric is 100% cotton

### THE COMFORTABLE BABY CARRIER

With the WALLABEE baby carrier, you can hold your baby close at all times – on either your front or your back. Ergonomically designed in line with your baby's anatomy; with a wide shoulder strap and stable hip strap to ensure maximum comfort for the wearer.

ENGINEERED  
IN GERMANY

**WIDE SHOULDER STRAP**

*with cross-over belt guide to ensure optimum weight distribution*

**NECK BOLSTER AND HEADREST**

*with the aid of a neck bolster and an adjustable headrest, a baby's sensitive neck muscles and head are provided optimum protection*

**USE AS A FRONT CARRIER**

*at the beginning babies should be carried in front. This way they feel closer to the person carrying them and their little heads have better protection*

**USE AS A BACK CARRIER**

*the back carrier version recommended for babies aged six months and over to lighten the carrier's back*

**Cosmic Black** / WL0983

**Arctic Aqua** / WL0985
